AL-THAWRI CALLS FOR STANDING AGAINST AGGRESSIVE ATTITUDE OF
U.S.A. IN THE AREA

ADEN, April 17 - ANA - Al-Thawri, mouthpiece of the CC of the Yemeni Socialist Party, affirmed the ability of the masses of our Yemeni people to foil all bids of imperialism and reaction which are being woven for obstructing the march of their glorious revolution and hitting the deep revolutionary accomplishments achieved under the leadership of their political vanguard the Yemeni socialist Party.

The newspaper added in the course of its comment in its issue of today on the new aggressive bids of the imperialism of the U.S.A. at interference in the internal affairs of Democratic Yemen which were revealed by "Al-Kifah al-Arabi" magazine in its issue No. 199 of 11th May, that Democratic Yemen is watching with an open eye and revolutionary vigilance all these conspiratorial movements and works with determination and with all potentialities for confronting the different types of conspiracies by imperialism and reaction and to foil any bids endeavouring at threatening our national progressive regime or exercising provocations.

The newspaper said that such confrontation is taking place by dependance upon the popular masses which are rallying around their pioneer party the Yemeni Socialist Party for deepening the revolutionary gains achieved by the glorious 14th October revolution under the leadership of its experienced political vanguard and development of their defensive and security abilities and promotion of the standard of their principled relations which are developed with the countries of the front of steadfastness and confrontation and all forces of liberation, progress, and Arab and world socialism and in particular the countries of the Socialist community topped by the friendly Soviet Union.

The newspaper called upon the national and democratic forces and the Arab progressive regimes and national liberation movements and the liberation and revolutionary forces and groups in the world to stand against the aggressive attitude being exercised by the U.S.A. in the area and to work for halting the extension of more hands of the American expansionist military octopus which began to threaten not only the security and peace of the area and its desire to live away from the atmospheres of war and tension but even threatens peace in the entire world.
